Rockfish River Elementary School, located off VA Rt. 151, has a Pre-K - 5th grade enrollment of 438 students. It is a fully accredited school with a curriculum that meets all the pertinent requirements of the Standards of Quality in Virginia. Our motto this year is "Focused on the

Future." Student achievement is our number one goal. The world is rapidly changing, so we are striving to meet the challenges of preparing our students to be successful both now and in the future.

Many of our materials used in classrooms are purchased using profits made available through fundraising efforts. Our community is always very generous in supporting us and we are excited about partnering with Stoney Creek Golf Course to offer an opportunity for school contributions.

We invite you to come by and visit. We are grateful for the support we receive from community members.
