The Honeybirds  
*featuring Jan Smith*

The Honeybirds play  
swingin' country, folk, and  
bluegrass for weddings  
and other events,  
public and private.

*"They set the perfect mood for  
our wedding rehearsal dinner  
in the Virginia mountains. The  
little ones, the thirtysomethings,  
and the old-timers alike all had  
a great time. I honestly could  
not have asked or hoped for a  
better evening."*
